The members who are not actively involved in research activities were advised to be serious in presenting atleast 2 papers in seminars/ conferences and publish atleast one paper in reputed journals.

4. As decided it was resolved to introduce Outcome Based Education from the academic year 2018-2019. Accordingly, as per the information and knowledge gained through the seminars and conferences conducted on the said topic, vision, mission for various departments, graduate attributes, programme outcomes, programme educational objectives and course outcomes have been prepared and placed before the board of studies for their suggestions for improvement if any and for approval. Accordingly the curriculum of various courses have been improved and the pattern of question paper was also changed. Since E- learning is to be encouraged as per the instructions of UGC, all the students were asked to choose atleast one programme from SWAYAM portal for self learning supported by faculty. The faculty were also requested to undergo a course chosen from SWAYAM portal and get the certification for passing the examination in that course. The faculty were further requested to supplement the class lectures with material available in SWAYAM for the courses handled. The faculty were given an option to choose a course either from SWAYAM or from NPTEL. The members of faculty were also instructed to give assignments through google class room.

5. The lists of activities to be conducted by the various departments, associations, clubs etc., presented by the heads of the departments for perusal by the members were approved with minor additions and deletions here and there. It was resolved to approve the lists submitted by the Heads of the Departments.
