IQAC SUMMARY REPORT – 2020 -2021

Significant Activities and contributions made by IQAC

- IQAC suggested that while preparing the list of programmes to be organised by various departments for the academic year 2020 – 2021, the vision, the mission of the college, the industries expectation of the skills to be possessed by the students are to be kept in mind. Accordingly the departments have prepared the list of programmes in such a way that they would develop their soft skills, enhance their knowledge in the concerned area of study and develop positive attitude.
- Since the format for the preparation of Self Study Report and the procedure for the assessment and accreditation have been changed by the NAAC, it was suggested that the FDP may be organised to make the teachers aware of the changed procedure and filling up of the format from the preparation of Self Study Report.
- Instead of giving training to the students for developing their communication skills and their mathematical aptitude outside the class hours IQAC suggested that it could be preferable if the above 2 topics are included in the regular working hours, in order to get better results.

Administrative Training Programme

Computer training is provided to all the support staff. They are encouraged to enhance their qualification joining distance education program. In case they become eligible for appointment to a higher cadre or to a teaching position they are either promoted or absorbed as a lecturer.

Result

As far as the results of the University examinations are concerned we are proud to announce that the overall pass percentage of students of all undergraduate courses put together is 75% and in PG courses it is 100%. The students are able to get 100% results in 99 subjects of UG courses and 48 papers in PG courses. We also congratulate the faculty members who have put in strenuous efforts to produce cent percent results in various subjects.

Bridge Course

Bridge course is conducted for newly admitted students by the department of English, mathematics, commerce, and computer science for 30 hours to bridge the gap between school and college education. It helps the students to have a smooth transition from school to college.

Placement and Training

Regarding placement of students in various companies, we are proud to declare 24 companies (such as CTS, TCS, IDBI, KGISL, Infosys etc.,) have visited the college so far and 606 offers were received by the students in the interviews conducted on and off campus.

Similarly the TCS one of the top IT Companies, as a part of their CSR choose our college every year invariably for giving training in the name of “Affirmative action Training program”, totally free of cost for 100 hours to the economically backward and socially downtrodden students of our college. 90 students were benefited by the training. Similarly Infosys also conducts a free training program for 100 hours in the name of “Global Business Foundation Skills” to the students in which about 150 students benefited.

Co curricular Activity

Participation of the students in any one of the activities (Viz) Seminars, Conferences, Workshops and Symposia etc. conducted by other colleges during their courses of study is compulsory for the award of degree and it should be duly certified by the Head of the Department and submitted to the Controller of Examinations with a copy of the certificate of participation.
