உன் சீரிளமைத் திறம்வியந்துசெயல்மறந்து

வாழ்த்துதுமே! வாழ்த்துதுமே!! வாழ்த்துதுமே!!!"

OUR SYMBOL AND MOTTO

The College symbol is significant in the field of learning and in the acquirement of knowledge. It signifies the banishment of darkness, in other words, ignorance, heralding in its place, light which symbolizes Knowledge and Enlightenment. We Indians, from time immemorial, have realized the value of fire and its power to purify. By adopting this symbol, the Kovai Kalaimagal Educational Trust highlights the significance of the Ever Burning Lamp.

In accordance with this symbol, the motto

LIGHT THE LIGHT WITHIN

acknowledges that there is a wick within each individual which awaits to be kindled and it is our objective to kindle and bring out the abilities and goodness that remain dormant within each individual.

SWAYAM

SWAYAM (Study Webs of Active Learning for Young Aspiring Minds) is basically an integrated MOOCs platform for distance education that is aimed at offering all the courses from school level (Class IX) to post-graduation level. The platform has been developed collaboratively by MHRD (Ministry of Human Resource Development) and AICTE (All India Council for Technical Education) with the help of Microsoft and is capable of hosting 2,000 courses. It may be noted that MHRD has also launched 32 DTH (Direct-To-Home) educational TV channels called SWAYAM Prabha. "SWAYAM will enable students to virtually attend the courses taught by the best faculty; access high quality reading resources, participate in discussion forums; take tests and earn academic grades."

C_i = Credits earned for course i in any semester

G_i = Grade Point obtained for course i in any semester

n = refers to the semester in which such courses were credited

For a Semester:

$$\text{GRADE POINT AVERAGE [GPA]} = \frac{\sum_i C_i G_i}{\sum_i C_i}$$

Sum of the products of grade points by the credits of the courses

$$\text{GPA} = \frac{\text{Sum of the products of grade points by the credits of the courses}}{\text{Sum of the credits of the courses in a semester}}$$

For the Entire Programme:

$$\text{CUMULATIVE GRADE POINT AVERAGE [CGPA]} = \frac{\sum_n \sum_i C_{ni} G_{ni}}{\sum_n \sum_i C_{ni}}$$

Sum of the multiplication of grade points by the credits of the entire programme

$$\text{CGPA} = \frac{\text{Sum of the multiplication of grade points by the credits of the entire programme}}{\text{Sum of the credits of the courses of the entire programme}}$$

Sum of the credits of the courses of the entire programme

$$\text{Weighted Cumulative Percentage of Marks(WCPM)} = \text{CGPA} * 10$$

VALUATION DETAILS

- UG: There will be one independent valuation for all UG theory courses by external examiner.
- PG: There will be two independent valuations for all theory courses with first valuation by the course faculty and the second valuation by external examiner. The average marks of first and second valuation will be taken as the final marks. If there is a difference of 15% or more between the first and second valuation, then the paper will be referred for third valuation and the average of the marks which are closer among the three valuations will be taken as the final marks
- Supplementary examination will be conducted for the benefit of final year students (both UG & PG) after 15 days of the declaration of the final semester results. Candidate, who has arrears in any semester subject to maximum of three papers, can appear for the supplementary examination conducted after the final semester.

- A candidate may request for re-totalling / revaluation of his/ her answer script by submitting application addressing to the Controller of Examination through the Principal, paying prescribed fee. This provision is available for all theory papers taken in the EAE. However there is no provision for revaluation of practical paper of UG courses and for practical and theory papers of PG Courses.
- Candidates desirous of improving the marks awarded in a passed subject in their first attempt shall reappear once within a period of subsequent two semesters. The improved marks shall be considered for classification but not for ranking. When there is no improvement, there shall not be any change in the original marks already awarded.

CONFERMENT OF THE DEGREE

No candidate shall be conferred the degree unless he/she has undergone the prescribed course of study for a period of not less than six semesters in UG courses and four semesters in PG courses in the college, and has passed in all the courses in the examinations conducted in the college.
