OUR SYMBOL AND MOTTO

The College symbol is significant in the field of learning and in the acquirement of knowledge. It signifies the banishment of darkness, in other words, ignorance, heralding in its place, light which symbolizes Knowledge and Enlightenment. We Indians, from time immemorial, have realized the value of fire and its power to purify. By adopting this symbol, the Kovai Kalaimagal Educational Trust highlights the significance of the Ever Burning Lamp. In accordance with this symbol, the motto

LIGHT THE LIGHT WITHIN

acknowledges that there is a wick within each individual which awaits to be kindled and it is our objective to kindle and bring out the abilities and goodness that remain dormant within each individual.

N.S.S

Three NSS units are functioning for carrying out regular activities such as creating awareness among the public about the importance of protecting the environment, keeping the city green and clean, protecting the water bodies from pollution, rain water harvesting, increasing the green cover through seed balls, maintaining hygiene among the children of under privileged communities, arranging medical camps for the benefit of people living in remote areas and other activities which would benefit the people living in the nearby villages.

SPORTS AND GAMES

Adequate sports facilities are available in our campus for various games and athletic events for the students to practice and to conduct the Inter- Collegiate tournaments and Intramural sports. The sports activities are effectively conducted by the Director of Physical Education of our college.

WOMEN EMPOWERMENT CELL

This is responsible for creating an awareness among women students about various issues relating to sexual harassment, legal protections available for women and their health problems and remedies.

CITIZEN CONSUMER CLUB

The Citizen Consumer Club has been functioning to make the students aware of the various sections of Consumer Protection Acts and Rules and make them to propagate the same.

RED RIBBON CLUB

The club undertakes various activities to create awareness about AIDS and its prevention among the students.

YOUTH RED CROSS

The unit promotes training in first aid to the students and creating awareness about blood donation and its importance in saving precious lives and to conduct blood donation camps.

ECO CLUB

The Eco club creates awareness among the students about various types of pollution and their impact on global warming, need for planting more trees for protecting the environment etc.

PLACEMENT CELL

The College Placement Cell conducts regular seminars, workshops and soft skill training programmes to enhance the Communication and other soft skills of the students. Due to the efforts of the Placement Cell, a number of companies visit our campus for conducting placement interviews.

FINISHING SCHOOL PROGRAMME :

A finishing school programme is conducted during the summer vacation for the UG & PG prefinal year students in which they are trained by HR personnel from reputed companies and Professional Trainers. This is a unique programme conducted only in our college.

KOVAI KALAIMAGAL ACADEMY FOR COMPETITIVE EXAMINATIONS

KK ACE has been established during the academic year 2014 - 15 with a view to give adequate training to the students who are willing to appear for competitive examinations conducted by Tamilnadu Public Service Commission, Union Public Service Commission, banks, railways, insurance companies and other agencies. The academy is provided with all facilities like separate library, computer centre with internet facility, etc.

ENGLISH LANGUAGE FORUM

The English Language Forum has been functioning effectively since the inception of the college in order to nurture and enhance the literary and creative skills of students. It would also identify the hidden talents and encourage them to take part in various competitions. The wide spectrum of literary activities like skit, composition of poems, writing stories, review of articles, oratory, solving riddles and puzzles, etc will be conducted.

AUDITORS' CLUB

The Auditors' Club creates awareness among the students about various professional courses such as ACA, ACS, CMA and the scope of such courses. Regular seminars will be conducted to update the knowledge on Companies Act and to make the students prepared for the professional courses. It also prepares the activities and processes required to become professional Accountants.

TALKERS' CLUB

The Talkers' Club has been established in order to provide the students an opportunity to get trained in expressing themselves in English without any hesitation, fear or shyness. The club is open to all students who are interested in getting trained in public speaking, oral interpretation, and debate events. The club activities are designed to make the students to speak fluently with confidence and to adapt themselves to groups of all ages.

SWAYAM

SWAYAM (Study Webs of Active Learning for Young Aspiring Minds) is basically an integrated MOOCs platform for distance education that is aimed at offering all the courses from school level (Class IX) to post-graduation level. The platform has been developed collaboratively by MHRD (Ministry of Human Resource Development) and AICTE (All India Council for Technical Education) with the help of Microsoft and is capable of hosting 2,000 courses. It may be noted that MHRD has also launched 32 DTH (Direct-To-Home) educational TV channels called SWAYAM Prabha. “SWAYAM will enable students to virtually attend the courses taught by the best faculty; access high quality reading resources, participate in discussion forums; take tests and earn academic grades.”

Every student should complete one job oriented course of minimum 20 hrs duration .The student may register in PMKVY (supported by the central government) or other external agency .They should submit a certificate for the successful completion of the training programme from the agency concerned at the end of the third semester

ONLINE COURSE

Students have to register for under going online courses in NPTEL /SWAYAM /MOOC / COURSERA /EDX etc and can appear for the examination in the same web portal or through the End Assessment Examinations conducted in our College.

TUTORIAL SYSTEM

For every 30 students a Tutor is made incharge to closely monitor their activities and academic progress, for the entire duration of the course. This enables a good rapport to be established between teacher and his/her ward and help the students overcome their learning difficulties.

CLASS COMMITTEE

The Principal and student representatives from each class are the members of the Class Committee which meets twice in a year to discuss the requirements of the students, difficulties faced by them in and outside the class to redress their grievances and to encourage and motivate them to enhance their skills.

VALUATION DETAILS

- UG: There will be one independent valuation for all theory papers of UG courses by external examiner, except for Self Study courses, Value Based Education, Non-Major Electives, Skill Based Subject and Extra Credit Courses, for which the valuation may be Internal or External.
- PG: There will be two independent valuations for all theory courses with first valuation by the course faculty and the second valuation by external examiner. The average marks of first and second valuation will be taken as the final marks. If there is a difference of 15% or more between the first and second valuation, then the paper will be referred for third valuation and the average of the marks which are closer among the three valuations will be taken as the final marks
- Supplementary examination will be conducted for the benefit of final year students (both UG & PG) after 15 days of the declaration of the final semester results. Candidate, who has arrear in any semester subject to maximum of one paper, can appear for the supplementary examination conducted after the final semester.
- A candidate may request for re-totalling / revaluation of his/ her answer script by submitting application addressing to the Controller of Examination through the Principal, paying prescribed fee. This provision is available for all theory papers taken in the EAE. However there is no provision for revaluation of practical paper of UG courses and for practical and theory papers of PG Courses.
- Candidates desirous of improving the marks awarded in a passed subject in their first attempt shall reappear once within a period of subsequent two semesters. The improved marks shall be considered for classification but not for ranking. When there is no improvement, there shall not be any change in the original marks already awarded.

CONFERMENT OF THE DEGREE

No candidate shall be conferred the degree unless he/she has undergone the prescribed course of study for a period of not less than six semesters in UG courses and four semesters in PG courses in the college, and has passed in all the courses in the examinations conducted in the college.
