## 11. Difference between the courses available in the same department

Sixteen core papers are common for B.Com and B.Com PA Degree Courses. Additionally nine theory papers are included in B.Com PA Degree Course. Practical papers are included, such as Oracle, C++ in order to get familiarity with programming and hardware and software along with core commerce. The subjects that are given in both the courses are similar; however, they have second major in computers. This would help the students in going for CA/ICWA /ACS or more specialised field in masters degree course in commerce and commerce background. B.Com PA students can find lot of career opportunities in the fields of Accounting, Banking, Marketing, Teaching, Insurance and stock Markets.
